“ *My Dear Cousin Rosalyn,  
Lawrence was not just your husband but a cherished member of our extended family, and we will always remember the warmth and kindness he brought to every gathering. The bond you both shared was truly special, and it was evident in the way you cared for each other through thick and thin.  
We fondly recall the great times we shared together as cousins, where Lawrence's humor and Lawrence's warmth always made those moments memorable. Your lengthy marriage was a testament to your love and commitment, and it was inspiring to see how you both supported each other over the years.  
Lawrence's contributions to our family structure were immense, and his presence will be deeply missed by all of us. His kindness and compassion touched everyone who had the privilege of knowing him, and his memory will continue to live on in our hearts.  
Please know that we are here for you during this time of profound loss. Please find comfort in the cherished memories you created together and in the love and support of family and friends.  
With heartfelt sympathy and love,  
Your cousin Daryl,*

“ *My condolences to my dear cousin Roz and the Haralson family. Too many memories to count, but one that will always stick out is the Jazz club during the family reunion. It was a great time. He was loved and will be missed. Forever Mark and Corin Buskey*

“ To the Haralson family

*I ASKED THE LORD TO COMFORT ME*

*I asked the Lord to comfort me, when things weren't going my way;  
He said to me, I will comfort you, and lift your cares away. I asked  
the Lord to walk with me, when darkness was all that I knew, He  
said to me, 'never be afraid, for I will see you through I didn't ask for  
riches, He gave me wealth untold The moon, the stars, the sun, the  
sky, and gave me eyes to behold.*

*I thank the Lord for everything, and I count my blessings each day;  
He came to me when I needed Him, I only had to pray; And He'll  
come to you, if you ask Him to - He's only a prayer away.*
