“ When I was younger, we would travel to Nicholasville for church functions, and although I never met Lawrence on those travels, when he came to Eastern we bonded over common friends. Fast forward, he married Cynthia, who had been a friend and classmate(our mothers knew each other as well). When I think of Lawrence, the words kind, solid and a genuinely good gentleman come to mind.

My prayers are with you Cynthia, and your family. May God continue to hold you in His everlasting arms and give you peace.

“ Prayers, love and condolences. Many memories from back in the day at EKU and later years here in Louisville. The most recent fond memory was in the parking lot of Paul’s on a hot summer day. We were able to “catch up” on our family and mutual friend’s life events. Rest on Lawrence. Cynthia, and family. cherish those many precious memories. May they bring you comfort, cause you to smile or even laugh out loud during difficult times. God will see you through.
Much Love

“ *Lawrence Mason never missed a beat...always there to encourage his fellow church members. He always asked about Tonia and where she was. He kept up with her playing basketball and running track while at Male High School. When she joined the Army he was sending encouraging words to her by me. She went to Iraq and his words of encouragement to me were very appreciated. RIP Lawrence you will definitely be missed... and thank you Sir for your love and support. Prayers to Cynthia and family love you all. Andrea Chinn-Little*

“ Mr. Mason, was a great man, an awesome servant. He meant so much to my family. His support of both my sons but he really supported my youngest during the most difficult time in his life will never be forgotten. Looking in the stands during his high school basketball games, the calls to check on him after graduating high school and on to college. The support at church. I could go on. Thanks Mr. Mason. You will never be forgotten.

We were blessed to have known Lawrence and Cynthia. The corner of Linn Station Road and Bentwood Way has lost its luster.
