“ *My condolences to the Acton Family may God continue to console you. I am so sorry to hear about your loss. Leonard and I have been friends for years. I am retired Navy as well. I was sitting at my desk thinking wow I haven't heard from Leonard in awhile so I decided to send him an email and it came back. I then tried to call and the recording was unfamiliar. So I did a google search and it directed me here. So so sad... Would somebody please tell me what happened....please. Take care Leonard and may you rest in peace.*

“ I worked with Leonard the last five years and we have had many many laughs together. I am very saddened at his passing and will miss him very much. Never did I see him in anything other than a jovial mood. I never heard him say a harsh word. Truly a nice person.

“ God looked around his garden and found an empty space, Then He looked down upon this earth, And saw you tired face He put his arms around you and lifted you to rest, God's garden must be beautiful, He only takes the best
