“ *My heartfelt sympathies go out to the family and friends during this difficult time. I hope that the promise in 1 Thessalonians 4:14 can bring comfort. Knowing that there is a hope for the ones we have lost in death can be so reassuring.*

“ I am so sorry for your loss. I remember Leonard and Willie laughing and talking all the time when I was young. My heart goes out to Leonard's wife and children and grand children. He was a wonderful person with a beautiful personality and bright smile. I've known the Cox family all my life. It's so sad to know that my family has lost a cherished friend and brother. I am praying for his family's sorrow. He is home with his Savior now.

“ Pat, so sorry to hear about Leonard dying. Ill always remember the story where he took you to the outlets mall in las vegas. He was ready to go and went back to the hotel without telling you. I always thought that was such a funny story.

“ Lenny was a classmate with me at FLAGETG High School. We also ran on the track team. From his picture, it looks like Lenny never lost his smile. Before each track meet you get the unsettling feeling in your stomach. Lenny had a way to get you laughing and relax. On the bus ride to the track meets, Lenny had the whole team in stitches. Every one at FLAGET liked Lenny. Lenny was full of love, laughter and true friendship. Lenny probably has every one in heaven in stitches with his stories and jokes. Another FLAGET brave in heaven. Lenny was some one you wanted to be friends with and to know. Bob Knust '64

“ The school pep song had a line "now there is a brave (my insert) I would like to know. He has that smile, that style, that winning way. THE FLAGET BRAVE." Yes Lenny, you were the epitome of those lines.
