“ Anthony, just found out about your father today from a worker at Dairy Queen restaurant in Jeffersonville, IN on 10th St. Your father and I talked every time we ran into each other while eating breakfast. He was a great man, full of energy and conversation. He was a real cool dude! If you read this, please contact me at 502-413-1724, your old college buddy, Phil

“ To Esther and the Entire Whetstone Family,

We adopted you as family as you came from Alabama to Kentucky. Since we only had the eight of us Judkins children we were so happy to finally have someone we could call cousin. LC, Esther, Frank, Betty, Ola, Butch, Gloria Glenda and Darnell we were so excited as you came up at various times; it was as if you had always been here. I can't forget meeting your sweet mother. The Bible says our good works do follow us and you all are the good works that followed your parent. We offer our sincerest condolences to you all. I was 14 when I first started meeting members of this great family. Many years later, I married a man (Louis) and discovered that he worked with Frank at Peerless and LC at International Harvester and he spoke so highly of them both. Time, circumstances and life has placed us in various places, but I know when we see one another again on Saturday it will be as if no time has passed. May God comfort you at this time. As believers, we have the blessed hope of seeing our loved ones who has gone on before us. We will all gather at the welcome table with our Savior. We love you and our prayers and love are with you all.

Mom, Evelyn, Lorenzo, Don, Geraldine (deceased), Daisy, Tru, Jim & Kat
