“ I want to send my sincere condolences to Gerard, and family. Leshia was full of life, there was never a dull moment around her. The one thing I love about her is that she loved her family and loved people. I remember sitting in her office talking about Y stuff and her family. It was though I knew them all. Thank you Leshia for all you've taught me as a site director thank you for allowing the opportunity to work with children and families at the Y. The SACC will never be the same matter of fact it hadn't been since you took sick leave. You will be greatly missed. I pray that the love you had for family will carry them through these difficult times.

To Gerard, and Leshia's family, please know your love one was an angel to many on earth but God needed her. “ I was youngish newly divorced mom with two young children in the CEP program at Highland. Over-worked and often overwhelmed, I had put up a wall; trying to do it all alone. Leshia taught me to let others in; to partner with the amazing people I had entrusted to care for children, in their best interest. In this way, Leshia became an irreplaceable member of the small Village I had needed to raise my children. She and Mario, and the CEP team became family to us. I smile to know how she meant so much to others as well and saddened to know that we have lost an amazing woman who has touched the lives of so many families; a woman who has been an irreplaceable member of so many Villages.

“ Leshia truly was a ray of light and laughter. I had the pleasure of working with her at the Southeast Y for many years. Leshia did God's work here on earth - making a real difference in the lives of the families and children and staff she was given the opportunity to serve. She always had a smile and a positive attitude to share with all of us. Thank you Leshia for all you did to make the world a better, happier and safer place for the children. Heaven's light is now brighter with you as an angel looking over all of us. My sincere condolences to Leshia's family for your difficult loss.

“ To the Family of Leshia, My heart is sadden that my childhood friend that I grew up with in a little town called Fulton, Ky. Leshia was a very sweet funny young lady that I was able to share summers with Leshia when she came to Fulton to spend with her family. As Adults we loss contact until June 2008 I saw my friend for the first time in years and she was just a beautiful and funny as she was when we were children. When I recieved the call the other night that my childhood friend had gone home to be with our Lord and Savior my heart is sadden. But to know that God chose one of his best Angels on this earth I know he didn't make a mistake. Even though we hadn't seen each other in years she will be truly missed and I will always remember my friend when we meet in a little town called Fulton Ky. I pray for the Family and I am so sorry for your loss of the Sweetest person I have ever known but I thank God for the time that he allowed us to share with Leshia. Love Regina(Pearson)Thomas

“ *This world, however beautiful, was never meant to be the place that we would call our home for all eternity. And though we would not choose to leave, a loving God knows best, and in His time, He lifts us to a place of peace and rest. For He has built a mansion where His children will abide, free from pain and sorrow, forever at His side. And though these one we love so much have left our present sight, and passed into a better world of majesty and light. Someday we'll be together in our Father's home above, where we'll thank Him for His mercy and praise Him for His love.
