“ So sad prayers for his family and friends...he was such a good guy...I remember interviewing with him in 1982 at Colgate's and he said because I didn't know how to operate a forklift I wasn't qualified...so the so months later I decided what the heck I'm trainable so I started going up there once a week for 10 months (of course Jackie and I became great friends) and one day he seen me coming in the front entrance and said to me " your a persistent little thing" and I said I will work here or u better have a good reason y I'm not...lol...and then they called me in and hired me April 1984...I loved him and Jackie they we're great once u got to know them... RIP my friend. MURPH (Debbie Crider)

“ *Les interviewed me for a position at Colgate Palmolive. He was a great person. We left Colgate 25 years later, when finance moved out, due to the plant closing. He and Jackie were two beautiful souls. Prayers to the family.*
