“ Linda & I worked together years ago but we made friends way back when and have remained friends down through the years. I kept up with her through Yolanda which is my name also. She was a hard worker, a good wife and Mother that cared for people. I consider her one of my best friends. I am sorry for her family but to be absent from the body is to be present with the Lord. I will not say good-bye, but see you later my longtime friend. I am glad you are finally at peace. I am glad that our paths crossed in life, you were a wonderful friend. I Love You Linda. RIP

“ Leon, I was so saddened to hear of your mother's passing. I pray for God's comfort and peace to surround and steady you and your family during this time. I know words can not heal your pain, but I hope that her loving memories and the blessing she was in your lives will fill you with warmth and continue to shine through you. Wish we could be there to be with you. Know that you are loved and we are here to help however we can in the days and months ahead.
Lovingly
