“ John and Courtney,I am so sorry to hear about Linda. We went through some trying times getting our degrees at Sullivan. Not sure I could have made it without her strength and support. She always had a smile and words of encouragement. We lost track for several years and spoke about two years ago with plans to get together. So sorry that never happened. She was a very special lady and was always so proud of her daughter. May all of those great memories bring you peace.

“ I knew Linda from my earliest days at South Central Bell and from then I liked her a lot and knew she was a very special person - the kind you are lucky to be around. Our careers crossed paths several times over the following 30+ years and each encounter proved even more how blessed I was to know her. When something like passing of a good friend occurs I turn to Romans 8:28, because while we can't understand it our Creator and Savior does. In that we can take solace and comfort.

*My sincerest condolences to her family. May God's peace find you and keep you.*

“ To the Hollingsworth family, I've known Linda since elementary school at St. Peter's Catholic School. While growing up Linda was more like a sister to us. Her parents and my parents were very good friends, as a matter of fact her mom and my mother could of passed for sisters. My prayers and thoughts are with you and your family during this difficult time. God Bless.

“ Thinking and praying for Courtney and family for the loss of her mom. I will always remember the smile on her face when I saw her out. This was such a complete shock and saddens me to think that she was called to the Lord too soon.
