“ John, You.... Our deepest heartfelt Sympathy goes out to the entire Pritchard Family. Although we didn't have close contact with Linda, I always knew she was watching over my son at Rohm & Haas. We've known each other for over 20 years, so we are family. We are praying for you because we love you and we know that God loves you more. If there's anything we can do, don't hesitate to call upon us. Vickie and Morris

“ John, I am so sorry to read about your loss. We never met, but I know of you from working with Linda. She was a good person, a team player, and most of all, pleasant to work alongside. Linda was intelligent, knowledgeable about her job and a competent reactor operator. These attributes were a big help to me in insuring the successful scale-ups of new products. I can honestly say, it was my privilege to have known and to have worked with Linda for many years. Sincerely, John A Reichert
