“ Linda was my lunch buddy for over 30 years...We started as a group of eight and dwindled down to just me and her...eating Chinese...once a month or so. My daughter would fix her hair and sometimes her mom would come and we would just have the best time. It's hard losing a mom. Just as hard to lose a good friend. To Leon God bless and keep you during this your time of trial. To Ed and family continue to excel in life. She was so proud of you all...especially her grand babies. I keep hearing earth has no sorrow that heaven can not heal...in Gods time.
