“ Lisa we had known of one another for over 40 years. We would always speak when we seen one another, but it was not until 3 years ago that GOD Blessed us with the Blessings of getting to know one another. We then learned that we had so much in common. I'm Grateful to GOD for the time we shared, the long conversations and laughter that we shared and for allowing me to get to know the beautiful person that you are. Rest in Peace my Sister Queen 🕊️

My condolences to your Family and love ones 🙏
My GOD comfort you all during these difficult times. 🙏

“ Ms Lisa and I were neighbors until my family and i moved out of the neighborhood. We stayed connected by simply texting/Facebook or linking up to watch the eclipse/blood moon. That was our thing. She became more like family to me! Get your rest Dear Lisa, in the arms of the one who loved you most(God)! Sending the family our sincerest condolences and many prayers during this time of grief.
