“ My heart is saddened. Loretta is one of my very first friends. We met at Shawnee Jr. High. Our journey through life went from Shawnee, to Male High and then Eastern Kentucky University. We shared some of the same classes, enjoyed serving together in organizations, drill team, honor societies and pledging Alpha Kappa Alpha Inc. as line sisters. That's over 50 years. Rest in peace my friend, my sister. May God grant comfort and peace for your family. And, may we all cherish your memory always.

“ Loretta was my 2nd best friend in high school. Other than her lovely smile and beautiful personality, what I remember most is when she drove us in my boyfriend's car to a football game. Loretta bumped another Car while parking. We laughed and was nervous about the accident. We never crossed paths since then, yes, a long time. To the family, cherish the memories which will help you process this difficult time. Geraldine, take care and trust God.

I am saddened to hear of the death of a bright, intelligent student I was honored to teach at Louisville Male High School. Loretta was an intellectual light and I was privileged to be a small part of her education. Sincere condolences to the entire Cunningham-Gillenwater Family.

A link in our sisterhood line is broken, yet our love remains unbroken. Loretta will always be remembered for her kindness, her gentleness and the beautiful spirit she shared with us all. May her legacy continue to inspire and uplift us, "The Dynamite Eight." Sending prayers and condolences to the family, sorority sisters, and the many lives she touched.

My daughter Mariam and I were in Sonny Baker's dance fitness classes with Loretta for several years. She often assisted Sonny with teaching the steps and routines. Like Sonny, Loretta was a great mentor when it came to dancing. Mariam and I extend our condolences to her family.
