“ To the Hyatt (Foster) family. Words really can not express the deep sympathy we have for you and your family . Surely as the days go on burdens will soon be lifted. This is not only a great loss to the family, but to those who knew him a shot time or a life time. A great man in my life and the G- kid's as well, always had an unforgettable smile. May God's good grace bring you through until you all meet up on the other side. 🙏 Our prays are forever with you.

“ *My beloved brother. He was loving to all of us and an especially dedicated son to our 90 year old mom, Hannah B. Akin, who mourns his passing every minute. We are rocking with mom after her doc visit in these photos at Cracker Barrel on Crittenden Drive in Louisville. I'll miss those special outings.*
