“ *The memory that stands out that I have of her ,was the comfort she gave to (Glo and I) Upon the passing of our father. If I had to describe her the word that comes to mind is "FEISTY". She was relatively small in stature, determined ,and courageous. It was God's purpose for our past to cross she couldn't help but touch your heart with her smile. A lady of Christian faith. Family our condolences our prayers of comfort, and love are with you. God bless you with the memories.*
