“ Lucy truly was and is a wonderful spirit. She is a kind hearted woman that was always there to share her heart. Seeing her last on Tuesday at 9pmish at Sullivan University in the Library where we often met was the last time I hugged her told, her I love her, and see her tomorrow. Only to learn one of my guardian Angels had went home to be with the Lord. I thank God I know the Holy Spirit was with her all the way. Lucy will be missed but Never forgotten and God willing I hope to start a scholarship in honor of her. 4 classes away from completing her Master's. Lucy lived with integrity and was very caring. I thank God to have been placed on her path. She always cheered me up & made me laugh. To her family I thank you for sharing Lucy. And I pray for your confort mind body & soul! This I pray, Amen
