“ Hey my name is Essence Yates and he helped me when I really needed him to, he laughed with me he cried with me, and even smoked with me. He made sure I had it even if he didn't , we worked at GE Appliances with each other but he worked 3rd shift but always waited for me to get there In the morning just to see if I'm okay I was just paying my respects because my job won't let me go because his not my intermediate family so I wanted the family to know he was in my heart and I will miss him thanks so much
