“ Ms. Margaret I loved having you as my nursery teacher at Advanced Learning Center. Oh how we use to laugh so hard together. You were an inspiration to many. It is so crazy because I have had you on my mind for the past 2 weeks. How I wish I could of seen you before you passed. But I have great memories to remind me of you.

So for the families loss she was a wonderful person

*Love
Rhonda*

“ Momma, it really just hit me today that we were no longer with us and this pain is unbearable. I continue to listen to your cell voice message just to hear your voice. Lord knows the hardest thing I've done was to tell you it was ok to let go and go home. I wanted to be selfish and keep you here with me, but I could no longer ignore how tired you were. You are an amazing woman who deserves all the flowers and praise. Fly high Momma, I love you forever and ever.
