“ Margaret Gore had a loyal friend in Jesus. As a friend of Jesus, she never failed to be a friend to others. I know that because she and my mother, Willie Mena Glass, were friends and church members. Margaret Gore called my mother every day up to the day my mother transitioned to a better life with their friend, Jesus. It is a rare friend who will walk into the Valley of the Shadow of Death with you. Mrs. Gore was that kind of friend. I’m sure my mother was not the only one she blessed. I have no doubt that she is wearing a crown today. May God bless the Gore family, friends and church family during this very difficult time and forever more.  
Amen
