“ I remember going shopping with her. She tried on dress after dress and bought nothing at all but that was the best day I ever had with her. We laughed until we were in tears. I will always remember that day. The time we spend with people really matters. The good memories will ALWAYS matter. Condolences to all who knew her and loved her. Sending love and prayers for peace. RIP my love

I met Margaret in September of 1980 and liked her immediately. She was a really good friend. I will miss her laugh and her sense of humor.
