“ To the Jones family, Carol my childhood friend in Sheppard Square, I am sorry for the loss of your mother. I reconnected with her when she and I worked at the University of Louisville. She was such a nice lady and I enjoyed talking with her. May you find comfort in the memories.

“ Dear Carolle and members of the family, be assured of our love and prayers during this time of such loss. The passing of a mother leaves a void like no other loss of a loved one.

“ To my extended family, when I think about Ms. Margaret, I am reminded of Proverbs 31: 10,30 "Who can find a virtuous woman? for her price is far above rubies. Favor is deceitful and beauty is vain but a woman that fears the Lord, she shall be praised". I have such fond memories of times spent with your mother and the family. May God cover you with his grace and mercy as Ms. Margaret takes her place in heaven with the angels! My love to you all.

“ I did not know her, but I knew her daughters. Through them, I could see a great woman, a strong and loving woman. Her children are indeed a great legacy and testament to the life she lived. She contributed great things to this world. May your hearts be eased by memories.
