“ To the Family, I am a friend of Daevante's and have spent a lot of time with Daevante' hanging out at the house. My friends and I were always welcome. She allowed us boys to congregate in her home she would cook for us and make us laugh and always made us feel welcome. She was a beautiful woman and will be missed.

“ The memories from the halls of DuValle Jr High, along with the good memories of our days in Milwaukee compel me to let the children know that earth has no sorrow that heaven cannot heal. Be thankful for your own memories of a mother that loved you all the days her life. Keep her legacy going by sharing the same kind of love with each other.
