“ Buzzy,I'm going to truly miss you, we have been childhood friend since my mother introduce you to me at Breckenridge Elementary in the 3rd grade.I will never forget how you have always been there for my family when my younger brother passed four years ago.I thank you for always being right by my side when my son became ill. Thank you for spoiling, loving your God son as if he was your own.Dylan will cherish all the Birthdays & Christmases that you surprise him with, I thank you for the beautiful ring,necklace w/prayer hands that you surprise me with when my daughter went to heaven. "Thank You". The day you called me from the hospital to inform me that you was being admitted, then transferred to another hospital I was very concerned. Buzzy you assured me that you would be okay but God had other plans for you to go " Home" than to continue to go thru what you had been going thru.I will have fond memories of you for the rest of my life. My family, myself will always love you. My condolences to the family for your loss,may God comfort your hearts.

“ Rest in Heaven Buzzy, my longtime childhood friend. I will never forget us playing outside until the street lights came on and walking home from Mayzeek when we had basketball games there. Or us riding your dirt bike up and down the alley. You gave me my first sweetheart diamond ring at the age of 13 for Valentines day. I won't forget us cutting school and hanging out at PI's and going to the Derby Parade. I can still hear you joking the last time we spoke about how people move away and act like they don't know how to get around Louisville, lol. You had an amazing sense of humor to brighten anyone's day. Even when you were not feeling well. We remained friends during our adult lives. Sometimes we didn't talk for awhile but when we did, it was like we never missed a beat. I will never forget you and the generous person you were with the heart of Gold inside and out. I will cherish my praying hands and always keep you in my heart.

“ *Family, The loss of a lifetime cannot be restored overnight. Rest knowing that God is still in control and will bring you through this very difficult time. This loss with prayer becomes easier to bear...Been knowing Buzzy for years through my best friend Dedra, got to know his family and all I can say is Buzzy has always been real cool and down to earth. I'm going to miss seeing him at Upward Bound with his son.....SMH... just can't believe it Dedra, Marshall and family. May your memories bring you comfort.*
