“ It was joy to be with you, people come into your life for a reason and a season. Just when I was understanding the reason the season was over. It was truly a joy to show you some of the special things of life that made you happy. I will miss those times and the times that you made me get in line. You were a special person that will be missed gone to soon are maybe gone when it was time for you to go. I have a special place in my space for you FOREVER!!!!!!

“ I was saddened today to realize Martha had passed. A beautiful and sweet person! I meet Martha last year at our part time job and always looked forward to seeing and talking to her. In conversation we realized our paths had always been close traveling the same path and knowing the same people. You have my heartfelt condolences.
