

Marvin Reginald "Reggie" Jones

February 2, 1968 - October 25, 2021

MARVIN REGINALD "REGGIE" JONES, 53, of Sellersburg IN passed away Monday, October 25, 2021 at U of L hospital. He is survived by his three sons, Nathaniel (Francesca), Nicholas and Nevin Jones, his former wife of twenty-one years Cynthia H. Jones, and fiancé Robin Morehead, all of Sellersburg, IN. Also surviving, his sister JoeAnn Jones of TX and mother Arlena Jones of OH, his Aunt Charlean Dobbs of Fairmont, WV, his Aunt Yvette Jones of Huntington, WV, aunt, Vanessa Pate Cotner, uncle, Stephen Pate, both of Rock Town, TN and many Cousins, Nieces and Nephews in Fairmont, WV. He was preceded in death by his infant son Noah Jones and adoptive Great Grandparents Willie and Sirlena Jones of Fairmont, WV. Reggie was born in Ohio and adopted by his Great Grandparents, Willie and Sirlena Jones. He grew up in Fairmont WV with many of his cousins on Holbert Avenue. He moved to Charleston WV to attend the University of Charleston, studying Pharmacology. He later left college to begin a career with Kenny Shoe Corp working in their Foot Locker/Athletic Express stores. He worked his way up to Store Manager and lived in Virginia Beach/Norfolk, VA and Danville, VA markets before transferring to his own store in Clarksville, IN in the Greentree Mall 27 years ago. He worked for Foot Locker for several years before he took a second job working as a pharmacy tech. He then left Foot Locker and went to work for Walgreens as a store manager. He worked for Walgreens for several more years and left there for an IT position with University of Louisville Physicians Group.

Through networking with others he met while working here, he got on with BD (formerly Care Fusion) where he has been the last 18 years as a Lead Field Service Technician. He has also worked part time at Lowe's the past several years where he has accumulated friends in co-workers as well as customers.

If you asked Reggie what his greatest accomplishment in life was, his reply would always be his three sons. He was so proud of how they have turned out to be great men with lofty goals they are willing to work hard to achieve, and they have/are! Nathaniel has his PharmD and is currently employed at Baptist East as a Pharmacist, Nicholas is in his last year of Pharmacy School and will graduate in April 2022 with his PharmD and Nevin is a freshman at Purdue pursuing an MD as an anesthesiologist. He was definitely a proud Dad!

Family and close friends would like to thank everyone for expressions of sympathy. Each one has been read and appreciated.

“ *Reggie was an exceptional colleague for so many great years. I am a better example of an model employee because of his great leadership and patience with me. He also never met a stranger and helped me to grow in my abilities of customer service and quality service. He taught me so many things and I will be forever grateful for having had his guidance and his companionship as a friend. He was a good man and very proud of his family. He will be very missed. Thank you for everything, Reggie. Rest easy.*

“Gone too soon, and missed forever! Reggie was so very proud of his kids and loved to share his joy of them. As a long time co-worker through the years of change and company names, one thing remained steady and true and that was Reggie's loyalty to his customers.. they loved and trusted Reggie! You will be sorely missed by the Central Regional Team, and all here at BD are better for knowing you. Rest easy and peacefully.

“ *Reggie was an amazing guy!! I worked with Reggie for years at FRMC and UK hospital. He was a hard worker, someone I could text and ask how to fix something over the phone and he would walk me through it. He always had a smile on his face and a story about one of the boys. He was SOOO proud of his kids!! Reggie will be greatly missed by everyone that had the pleasure of knowing him!*
