“ *My Sister-n-Christ, Maria. Trust God during this special time with strengthening you to accept Our Father to have Mother Mary back with him. Maria, you have been blessed to have your Mom with you a long time. I've been where you are today, and trusting God is what I did. I have decided to hold on to the memories which will be with you forever. It may seem hard now, but trusting God, will make days easier. When the tears fall, the calls stop and even being alone, call on Jesus, just call his name, for there is so much POWER in his Name. We love you and we're a call and text away. God Bless you and your family.*
