“ more than three years has passed and i still cant belive your not here with us anymore, some days i still cry wishing you were still here. you were more than my pastor, you were also like my 2nd mother, i could come and talk with you about anything, and i mean anything, and you would give me nothing but straight truth whether i liked it or not, but you knew i loved you as if i were one of your sons. you told me one day that we didn't come here to stay forever. so I'm trying to stay saved and holy cause if i can make it than i know God will say well done, and we will see each other in the new world . this is my prayer always. love ya, bro robert greene. always lively stone

“ We met Pastor Mary Beverly in 1991. We were sent to Louisville Ky from Detroit, MI. to pastor Phillips Chapel AOH church of God. We full filling an engagement of the previous pastor for a pastors Pastoral Anniversary. We were first introduced to the members of Lively Stone Church, we were greeted with smiles as we felt the love. As service went on Pastor Beverly was escorted out to her seat, she was beautifully dressed from head to toe simply beautiful. We had a wonderful time. As we were introduced to Pastor Beverly a smile that lit up her whole face, she made up feel so welcome not only to her church but to the city of Louisville. We fellowshiped over the years, and became friends as well. On many occasions we would eat at her table at the fellowship hall. A very very good cook and a very gracious host. We would laugh and talk for hours, her laughter would fill the room. She also had a shyness about her, a quiet side. She was a powerful preacher, stood flat footed and preached the unadulterated word of God. We held a 3 day and nigh convocation at Lively Stone, Workshops during the day, we would eat together, share life's experiences, pray for one another, back into service, 3 nights praise and worship and more good preaching and of couldn't leave without a snake plate of goodies. She and I shared birthday month. She and I had a lot in common. We both loved looking good, we both were strong woman yet submissive to the will of God. Strong in the sense of who we were. Pastor Beverly was wise and would share herself in ministry. She loved people. Pastor Beverly set a good example for women in ministry. A very feminine woman, delicate, sweet, kind was sure in herself and who God called her to be. She shared some of her dreams and desires with me. I truly loved Pastor Mary Ellen Beverly, I will surly miss her. But I thank God for haven met her. She deposited some good nuggets into my life and for this I give God Glory. Rest On Pastor Mary Ellen Beverly, Its well deserved. I thank God for you always. The National Mother of God Grace Apostolic Fellowship Inc., Evangelist Barbara J. Dukes & Bishop Norman R. Dukes Sr. of New Life Apostolic Ministries 1340 Berry Blvd. Louisville, Ky 40215 Our prayers are yet with all family and friends.
