“ Just now found out about MaryBell! I am just so torn up about this. I would have been there. I have so many sweet and laughable memories of MaryBell and Cousin Robert from my childhood through early adulthood. From sitting on Shelia Ann's porch and just laughing until my stomach hurt...those were the best memories! To my cousins Linda and Lillian and the rest of the family, you guys are all in my prayers. We are still family! May GOD's peace be with you in the upcoming months. Losing a mother and best friend is the most disheartening loss, but GOD is a provider and I'm praying for you and with you. Always! xOX0x0x
