“ Michael, so sorry to learn of the passing of your mother. I shall always remember how kind Mrs. Jackson was in inviting a group of hungry first year students from UofL into her home for a great Sunday dinner. Yes, I was one of those first year students. Proud to call you my friend. Keep looking up and may God be with you and your family. Dr. Ralph & Brenda Fitzpatrick

You may not have carried me in your womb, but I always felt that you loved and care for me with all of your heart, which made it easy for me to talk with you at anything at any given time in my life. My sons have always held a special part for you in their hearts too, I hope you knew that!!*

“ *Dear Mary - I will be eternally grateful that you were a part of my life. You were such a beautiful and sincere person. That's why I know that God knew what He was doing when He chose you. I will truly miss you - especially our twice a week talks, and those times in between when I knew you weren't feeling your best. You knew I loved you, and you know I still do. Love doesn't just stop loving. Until we meet again, you will forever remain in my heart. Love, Porcia*
