“ Hi Tonya, I don't know if you remember me, but I worked across the hall from your Mother for almost 10 years at Park DuValle. I am so sorry to hear about her passing. I just saw this announcement while looking for the announcement for my nephew. Your Mother made the best chili. As a matter of fact, I still have the recipe she wrote out for me that I still use to this day. I remember many, many long conversations we had. Again, I am so sorry.
