“ Cousin it is so hard to believe that you are gone from us. I thank you for the wonderful memories. I know you are a beautiful angel above. I also know God does not make mistakes. You had a beautiful, caring heart and was just too good for this earth. I am going to miss spending time with you when I came to Louisville. I get sad knowing we will no longer have our conversations. It's so hard for me to deal with your death because you were not ready, you had plans. Mama said she was ready even though it was hard to see her go. I know you are happy to be with your mama, and spending time with heavenly family and friends. Put in a good word for me up there. Until my time comes, I'll see you later. Hope you got my last text to you telling you I love you. 💔😭🙏
