“ To the family of my late friend Mary Washington. I am so sorry just hearing of the passing of Ms. Mary. I was deeply moved when I enquired about when I returned back to work. God prepared her mansion and look her home to live in there. She is really laughing and having fun with her love ones who are already at home. I will truly miss Mary when walking those hall ways at work, and hearing her laugh when I asked her was she trying to hide from me. God Bless children, your mother is still watching over you.
