“ Jeffrey and Family, I know it has been two years since Mattie Pearl passed. I think of her often and remember the advice she gave me. I know nothing eases the loss of a loved one but please take solace in knowing she is truly missed and truly loved!

“ Patton Family,
May the memories you cherish help to ease the burden of your loss. God gave her 91 years on this earth and now she's sleeping peacefully. Be strong as you rejoice in her victories. Smile with your tears as you remember the good times.

“ Sometimes once a week, and sometimes every day, thru long distance conversing Mattie and I started to 'click'. She would always chuckle say how funny it was that we seemed to have so much in common. 'Especially aches and pains and what we used as remedies.' After all she and mama were 1st cousins on the Howard family side. Inadvertently Mattie reminded me to always try to get 'something good' out of the day, especially if it was a 'bad day' That 'good' was just having the privilege to chat with her, however brief it was. I shall surely miss her special chuckle and our long distance chats.

“ Jeffrey and Family, please accept my sincere condolences on the passing of your Gramdmother Mattie Pearl. She was my Grandfather's niece and I am so sorry I never had the pleasure of meeting her in person, but I did get the chance to speak to her several times. They were delightful conversations and she had so much spunk! I will miss not getting to learn more about our extended family that she wanted to share with me. I hope to meet you one day soon so you can enlighten me on your Grandmother's amazing years on this earth!
