“ *We send our condolences and prayers to the family of Maurice Stallard. We knew "Stallard" from the military days when everyone was young and just starting out. Stallard, Brown, Rockey Moore along with my husband, Art, played basketball on the base team. Although we lost contact, we've talked about him often. It's comforting to know that he was still the good man that we knew back then. May the Lord, keep you in his loving arms.*

“ *I visited with Maurice a few months per year when I visited GE Appliance park starting in 1977 and into the 1990's. Mo was quick witted, friendly, athletic, and good at his job- he was a credit to his profession. I only wish I had been at Kroger to stop that criminal for good. Ms. Stallard, I have a photo of Maurice on the job circa 1985; I don't have it with me now to post it here, but if you want it, let me know and I will get it to you. Sincerely, Walter Barth 352-461-6437.*

*To the dear family and friends of Mr. Stallard, it is heartbreaking to learn of the tragic event that took his life. His radiant face and kindly eyes reveal a person who would light up any gathering. His sacrifices during the Vietnam War are ones we cannot measure. May war be erased from the face of the earth and may the human family unite in consciousness that all belong to the same household. May the seemingly senseless loss of such precious lives awaken our collective conscience to a sensitivity that will not allow us ever to see another person as "other", but only as an individual worthy of respect and love. My love to all family and friends who cherish and remember Mr. Stallard at this time.*

“ I am so sorry for the loss of your grandfather, father, husband, and friend. We are grieving across the country for your family. Your friends in Denver, Colorado are thinking of Maurice and his family and friends, and particularly his grandson who was with him at the time his life was taken from him. I hope his grandson is doing okay, and realizes that his grandfather would be glad to know that he is safe. I lost my brother to homicide and it is awful; the only comfort is the love of community that surrounds you and I hope you all feel that love now.

“ To: The many family members of Charlotte, Kellie, Lil' Maurice, and grandchildren, it is with a very heavy heart that I share our condolences with all of you. We can not find words to really express how we really feel. Our thoughts and prayers are with each of you and will continue to be for quite some time. Feel free to call any time you might like because you all have very giving parents to others and the community and we can at least share a listening ear. Gain strength during this time from your many memories that you shared with Maurice. May God continue to Bless all of you!
