“ Babe this is Ms. Shanell! I was looking at the obit for someone else, seen your picture and could not breathe.....Wonder, why i haven't heard from you and was going to call to check on you. But, now I know the tears can't Stop, you are the daughter i didn't have. You where a Big sister to my sons and their baby-sitter for years.. You were so determined, strong, smart, mature, beautiful and confident in yourself and what you wanted to do. You trusted me and talked to me about a little of everything. You achieved your goals and was working toward higher ones and called on me to help and i will always be Grateful that you knew i was there. So much to say, so many memories, so many conversations, so many laughs and So much LOVE between Us!
