“ *I met Mernia just last year and felt like I knew her my whole life. She made me feel welcome and at ease as I began working a new program with her. She was so talented, funny, and hard working. I loved to watch her in action as she guided and taught students at Kentucky State University. What a sweet lady--a true lady. She will be sorely missed on earth but the heavenly angels have welcomed her home...*

“ *There are no true endings, only everlasting beginnings. It has been an honor and privelege to have known Dr. Hill as a part of the Kentucky State University family. She will be remembered with fondness and greatly missed. My sincerest condolences to you. I pray your peace during this time of bereavement.*
