“ One of the most memorable moments of being in the presence of Deacon "Uncle" Michael, was during the 50th Anniversary celebration of St. Stephen's. We were part of a group from Detroit visiting with his brother, and our Pastor, Benjamin Stanley Baker. We were given a thorough and enjoyable tour of the complete campus: past, present and plans for the future! We felt like family once he was done, only to find out that he was just getting started. We needed or wanted for NOTHING during the entire weekend stay. His love for God, Church and Family was definitely displayed in the life he lived while here. I pray the love of God gives you the peace and comfort that's needed at this time.
