She gave and taught life instructions, it is from those instructions I am able to apply and have as an accomplished skillset to my life's journey. “ Portia, I pray to our Father for gracious comfort for you and your family through this difficult time and the days ahead. I'm sure that your mother's inner beauty was as great as her outer beauty because of the person that you are. I am most grateful that the Master guided your path back home to be with your parents. It's a blessing. Allow his peace to comfort you during your times of need.

“ To her beautiful girls, Clarissa, Branita, and Portia: I remember the Sunday mornings @ Plymouth Congregational. Mrs. Griffin was every bit involved in church activities and looking after your Grandmother. It was a family affair at Plymouth almost every day with the choir practices, the drama club, Boy Scouts, etc. I really miss that closeness. R.I.P. Mrs. Mildred Griffin. Another light has been extinguished in my family.
