“ *Miss Diderot and family,*

*Mitch was one of my favorite people to see at work. He always had a smile on his face and a hug when you needed one. When I was cold he would let me warm my hands on the back of his neck or his arms, joking about him being hot blooded. Mitch could always lighten a situation with his charisma and be stern when he had to. We all loved him and he is very much missed. I send prayers for you all to find comfort in your memories and peace in knowing he is eternally at peace with God.*

*Sincere condolences,

“ Mitch was my brother-in-law and I liked him the moment I met him, he was always kind and cheerful with a laugh that matched his playful sense of humor. I definitely enjoyed the dishes he cooked and always looked forward to the next meal he made. Mitch was good to my sister and she loved him very much, he will surely be missed but never forgotten. May he RIP

Ms. Deidra,  
I'm so sorry to hear about Mitch, he was one of my favorite people at Caesars. He was always happy and joking with myself and my friends. When he would realize that we needed to be cut off the drinks , he would say, y'all girls not driving are you. Just a SUPER NICE GUY.. Sending prayers to you and entire family. RIP Mitch.
