EP

“ I was blessed to have Myrtle and her daughter Kat as a hair clients for a few years. She was always full of laughs and I always enjoyed seeing her great sense of style! She had the BEST jewelry! I last spoke with Myrtle in October 2021. She wanted to get in to get her hair done! That phone call was a special one as she had a lot to talk about (her girls, her grand babies and especially her heart Nala). My thoughts and prayers are with you now and moving forward as you begin navigating your healing process. Kat, I'm always just a call away. You are not alone! ❤️ Erica
