“ To Loni, my heart goes out to you at the loss of Nay. I still remember pictures of him and Anissa when y'all would watch her as a baby. I never realized how close in age they were. He was such a sweet little boy with a contagious smile and a really good hug. He was like another nephew, definitely part of the family. You know God makes no mistakes but this was a hard pill to swallow for me when I heard the news. I'm glad he's home. May The Comforter be with you and his family and all that were touched by him during this difficult time. My prayers are with you all. I miss you Nay and you will always have a place in my heart!!

Love,
