“ Dear Larry and family, Although I did not have the privilege of knowing Nancy personally, I have no doubt that she was an intelligent and beautiful person - much like her life partner, with whom I worked for many years at B&W. Sincere sympathy to you, Larry, and all the members of your family. May the support of your family and friends help you through your time of grief.

“ Larry, Kevin, Delaina and Miles, I was so sorry to learn of Nancy's death. I worked with her at the Northeast Branch, learning so much from her. She was a great boss and co-worker. Each day she greeted those who walked into the branch with a smile. I have wonderful memories of the years we spent together. The original Northeast Branch was located in a donated trailer in the Westport Plaza parking lot. Nancy and I laughed many times about using the typewriter located in the branch bathroom. When we moved into a unit in the shopping center we were located next to a bar. We never knew what we would find in our bookdrop.

“ Dear Delaina, I am sorry you lost your mother. She was a lovely person. I have fond memories of playing with you and of seeing your mother at the library. My father died almost three years ago, so I know how it feels to lose a parent. I will be thinking of you. Sincerely, Ruth Thomas Wong (your old classmate)
