“ Nancy, I have missed you for a long time, seeing you roll out of your garage daily in that red caddy will always be sketched in my memory. Even when you let me pull in the garage for you I was like "okaaay" because I did want to bang it, but you trusted me to do it and even hipped me to all those fancy interior components...amazing! You were world class on this side and a beautiful example of living life to the fullest! Remain regal as you continue your journey! Love to you and Mr. King. Sincerest sympathy to the family. “ I am saddened to hear of Nancy's passing. She was my beautician as well as some members of my family some years ago. Nancy was wonderful, and had a very special way of assuring her patrons that they would be beautiful when she completed their hair. She loved her profession, and we were blessed by her work, her generosity, and her life. She will be missed. Please know that my thoughts and prayers are with you. Sincerely,Joanne Bankston

“ *To Brother William King and family, Dr. Nancy was a warrior for the Lord. She fought the fight and now she can rest now. She was an inspiration to my granddaughters Dee and Kyra and to my late husband Deacon Mike and myself at Zion Baptist Church where she was a warrior for God as well. She used all of her given talents and spiritual gifts there for the children and young people. Especially to the May month club, Senior and Youth Usher board. God has taken his beautiful rose and placed her back into his garden. Continued prayers to you brother King and family.*
