“ Those that know us, the family, know that we called him "Junie Boy." I have many fond memories of Junie Boy but the one that stands out the most is the one were me, Mikey, Junie Boy, and one of their friends had went to the Elks Lodge as we often did. Well this particular night it was freezing cold and we were leaving the Elks heading back home. I don't remember if the car broke down or we'd run out of gas but we had to walk. I remember Junie Boy gave me a quilt out the trunk of the car and we began walking. We finally made it to a gas station were we called a cab. Once the cab picked us up we were trying to figure out how to pay him because we'd spent all our money at the Elks. We came up with the conclusion that we would all "run" and meet back up at Frances house once we reached our destination. And that's exactly what happened...we got to Payton Place and took off running. Met back up at Frances & Damon's house and of course she wanted to know what we were running from. We laughed and peeked out the window watching the cab driver look for us. No it wasn't right but we were young, with no money and trying to get back home!
I will miss you Cuz. You brought so much joy to my life Cuz and I will always remember the good times! I love and miss you!
