“ Just after I'd wiped away Righty(Norman)last tear, I guess he's better off than he was before, A whole lot better off than the ones he left here. I used 2 cry 4 Righty(Norman) because he was my sunshine(friend), the kind of sunshine(friend) that come by everyday. I used 2 cry 4 my (Righty)Norman because I wanted to see him again, but sometimes I feel so sad, sometimes I wish life was never ending and all good things never last. Sunshine was always my favorite time, a time 4 me to see Righty(Norman), Bringing nothing but smiles my way, now the sunshine only reminds me of Righty(Norman). As I cry 4 your love, call, text, never cry the pain. Righty(Norman)told me 2 stay strong and not to weary that everything is all right because he gave his pain to God, So strong afraid to die, Unafraid of the death that left me hypnotized, now staring at his pictures I realized no one could the way my Righty(Norman) cried. Norman T.(Righty)Spencer I will love you 4- ever you were the sunshine that shine beyond the stars
