“ *She was a colorful dresser, very friendly, and a wonderful cook. Whenever I would visit her, she always had something to offer me, which was very tasty. Her cooking always required bacon grease. Whenever her telephone number came up on my phone, I knew what she was calling for, none other than bacon grease. The only person I ever knew who kept their Xmas tree up all year long. She kept Smitty, her loving husband well fed. I will miss them both. Eugene Donan.*
