“ *The Sumter High School class of 1983 send our sincere condolences to the Dunham family. Orin was really a true blessing in many of our lives. His orange Datsun has transported me and many classmates during our schools days. His laughter and playfulness I will always remember, but what I will always remember is his true friendship. The time we spent in the SHS marching band and the joking will always be remembered. Rest my dear friend, take your rest, the class of 1983 loves but we all know that God loves you best.*

*Hush dear friends, don't say a word.
Our classmate Orin is gone and free like a bird.
Free to fly in the heavens above,
As a friend we'll always be thinking of.
Orin is gone from where we can see,
But in our hearts is where he'll always be.
Memories can never be taken away,
So we'll remember Orin when we learn and play.
Sadness, anger, and wondering why?
Are feelings that will make us cry.
But, our dear friend will help us grieve
Because Orin spirit will never leave.*
