“ My friend!!! 😭😭😭  
She walked with Kings & Queens, yet did not lose “her common touch!” She educated younger & older, everyday, within & beyond school or church classrooms and facilities! She acted counseled, encouraged, embraced, enlightened, helped, hugged, influenced, listened, loved, touched & welcomed so many people & lives, that are better today, because of Pat Whiting! Her “smile” & “her personality” will live on in our hearts ❤️ & memories!  
Patricia Porter Whiting may have been elevated & separated from us, physically, but she has left us a presence, a framework & examples of fellowship & love that we can & should follow to honor her & her countless contributions to so many people, places & things! I will remember my friend, mostly because of her commitment to family kindness, her generosity & “her smile”!!!

“ Pat filled every space she inhabited with love and caring riding on her trademark radiant smile. I can't imagine St. Stephen without her presence. What we can be sure of is her spirit will continue to live in the hearts of everyone she touched.

Jason, you have been abundantly blessed to have Pat and John as parents. They took up a huge space in your heart that may seem empty for awhile. One day though, you will realize they still fill that space with enough love, memories and wisdom to guide you for the rest of your days.

May the peace that passes all understanding keep you during this time,

Reg Glass and Kesha Glass-Wood.
