“*As a mother of 3 children that went to Carter, I saw her out everyday watching her kids in the car rider line to make sure they were safe. I once saw her CHASE a large loose Rottweiler down the side walk to make sure he didn't get close to all of our children. I knew then that she was a principal that truly loved those students. Godspeed Ms Brisbon. You sure did make a difference!❤️*

“ Patsy was the best principal I ever had! She truly loved her employees, students and parents. She was fair in every decision she made. Thank you Patsy for giving me a chance. That’s what she did. She never gave up on anyone! She saw the goodness in everyone. She was a great woman!

“ What a lady! My boss, my co-worker, my friend. It would be impossible to mention all the good and bad times we had at school and outside of school. She was loved by so many and will be missed and remembered by us all.
