“ I found out today that my heavenly friend passed away. Renee was the beautiful person you could call a True Friend. I know the Heavenly Father and family has Renee celebrating beautiful life. I was proud to have Renee as Friend, she came down and wish Happy Retirement. I retired in 2018 and Renee mention her health was going down slowly. I happy she was able to give two more years of life. It is unreal it has been 5 years this week she went home to be our Heavenly Father and Family went before her. Love Phyllis and blessed the family and strength they will get from Lord Psalm 23 and 100.

I have known Renee and her entire family since childhood while growing up San Francisco, CA. I am saddened by the passing of such a wonderful and devoted, and caring person. However, at the same time, am overjoyed because she is no longer in pain but is present with the Lord. My deepest condolences go out to her family for their loss. May you find peace in our Heavenly Father as you continue in your earthly journey.
